Welcome Mr Clark!

School: David Hinson Middle School
Teacher: Mr. Clark
Class: Period 1 - Test Sites
Grade: post-secondary

Enter Website Title

Slide Title: First name's ePortfolio

Then Click: Save Title

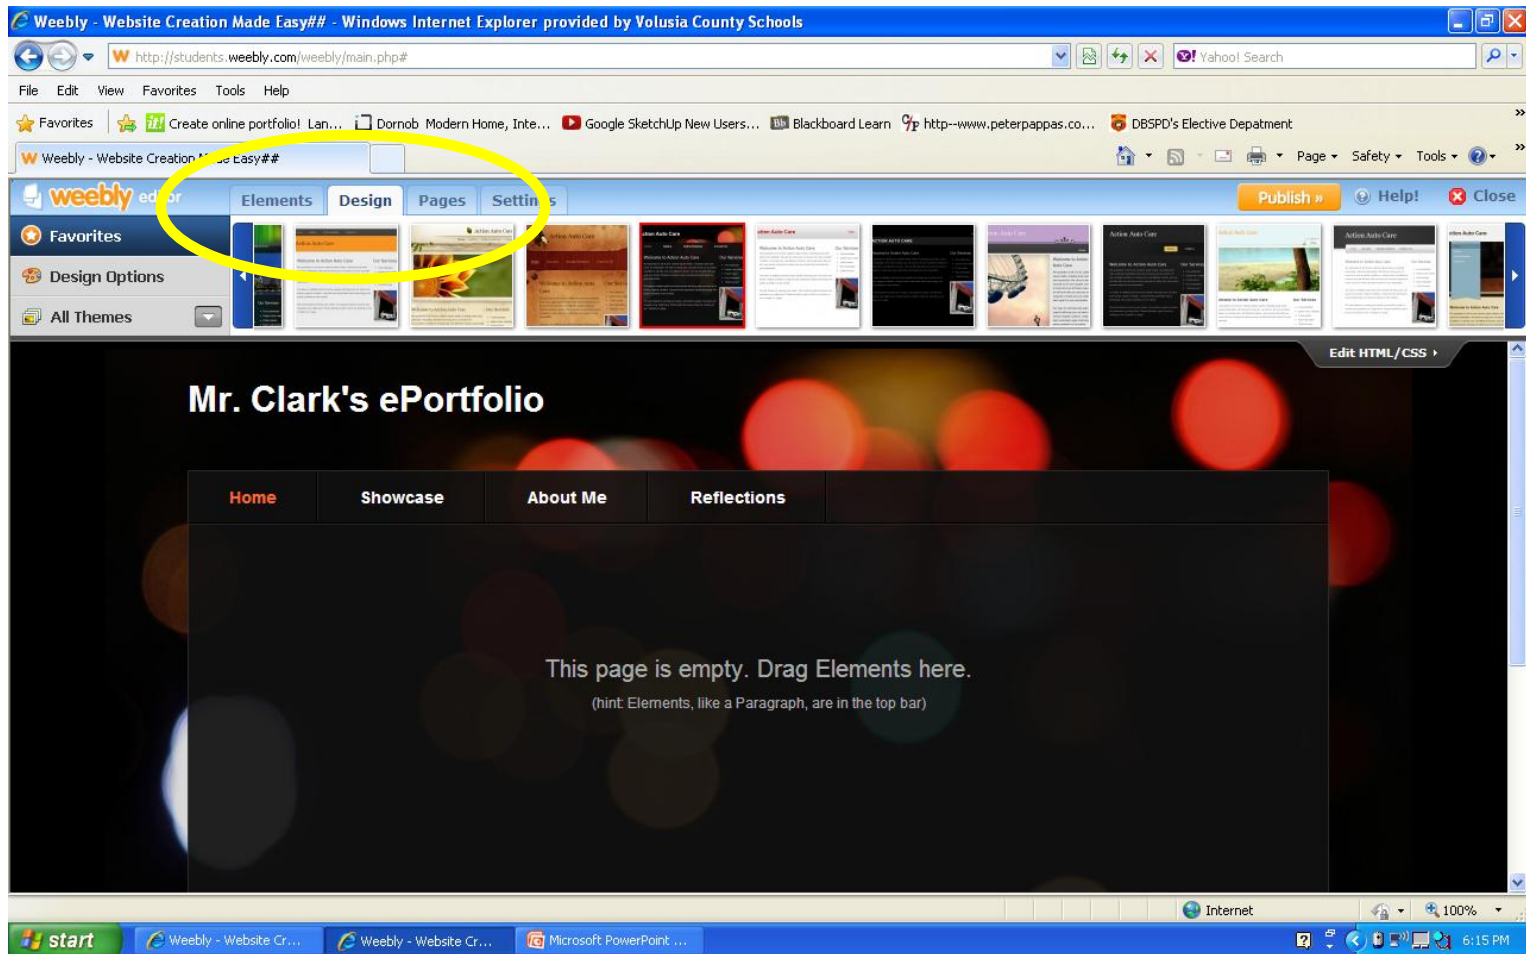

The screenshot shows the Weebly website creation interface. The browser's address bar displays "ss! - Our Class" and "W Weebly - Website Creatio...". The interface includes a navigation bar with "Elements", "Design", "Pages", and "Settings" tabs, along with a "Publish »" button and a "Help!" icon. Below the navigation bar is a toolbar with various design elements: "Title Text", "Paragraph with Title", "Paragraph with Picture", "Picture", "Title", "Paragraph", and "Multiple Columns". The main workspace is dark grey and contains a white dialog box with a blue border. The dialog box has a title "Enter Website Title" and a "Site Title" label. Below the label is a text input field containing "First name's ePortfolio". A "Save Title" button is located at the bottom right of the dialog box. A yellow oval highlights the entire dialog box, and a smaller yellow oval highlights the "Save Title" button.

Should look like this...

The image shows a screenshot of a Weebly website editor interface. The browser window title is "Weebly - Website Creation Made Easy - Windows Internet Explorer provided by Volusia County Schools". The address bar shows "http://students.weebly.com/weebly/main.php". The Weebly editor toolbar includes tabs for "Elements", "Design", "Pages", and "Settings". The "Elements" tab is active, showing options for "Basic", "Multimedia", and "More". The "Basic" section includes "Title Text", "Paragraph with Title", "Paragraph with Picture", "Picture", "Title", "Paragraph", and "Multiple Columns". The preview area displays a dark grey header with the text "Mr. Clark's ePortfolio". Below the header is a large image of two hands holding a small green plant. At the bottom of the preview area is a dark blue button labeled "Home".

Click: "Design" tab

Then: Change the design to your liking

Click: "Pages" tab

The screenshot shows the Weebly website editor interface. The browser window title is "Weebly - Website Creation Made Easy - Windows Internet Explorer provided by Volusia County Schools". The address bar shows "http://students.weebly.com/weebly/main.php". The browser's menu bar includes "File", "Edit", "View", "Favorites", "Tools", and "Help". The browser's toolbar includes "Back", "Forward", "Home", "Refresh", "Print", and "Search". The browser's Favorites bar shows "Create online portfolio! Lan...", "Dornob Modern Home, Inte...", "Google SketchUp New Users...", "Blackboard Learn", "http--www.peterpappas.co...", and "DBSPD's Elective Department". The browser's status bar shows "Technology Class! - Our Class", "Weebly - Web...", "Page", "Safety", and "Tools". The Weebly editor interface has a top navigation bar with "weebly editor", "Elements", "Design", "Pages", and "Settings" tabs. The "Pages" tab is highlighted with a yellow circle. To the right of the navigation bar are "Publish »", "Help!", and "Close" buttons. The main content area is titled "Manage Pages" and contains several elements: "Add Page" and "Add Blog" buttons, "Edit Page" and "Copy Page" buttons, a "Page Name" input field, a yellow tooltip that says "Click on 'Add Page' to add a page, or 'Add Blog' to add a blog to your site.", a yellow box that says "Only your first 5 pages will be published. To add more, upgrade to [Premium](#)", two checkboxes for "Hide page in navigation menu" and "Password protect this page pro", a link for "Advanced Settings", and a "Save Settings" button.

The screenshot shows a web browser window with several tabs open, including 'Weebly - Website Creation...'. The Weebly interface is visible, with a navigation bar containing 'Design', 'Pages', and 'Settings' tabs, and a 'Publish »' button. A modal dialog box titled 'Choose Your Website Domain' is displayed in the center. The dialog box contains the text 'This is the address where people will find your website online'. Below this, there are three domain options. The first option, 'Use a Subdomain of Weebly.com', is selected with a radio button and is highlighted with a yellow oval. It includes the text 'A great way to get your website started' and a text input field containing 'http:// firstnamePortfolio .weebly.com'. To the right of this option is a green checkmark and the word 'Available'. At the bottom right of the dialog box, there is an orange 'Continue' button, which is also highlighted with a yellow oval. The background of the Weebly interface shows a dark grey area with some text like 's eP' and 'Showcase About Me Reflections'.

The image shows a screenshot of a Windows Internet Explorer browser window displaying the Weebly website creation interface. The browser's address bar shows the URL <http://students.weebly.com/weebly/main.php>. The Weebly editor interface includes a top navigation bar with 'Elements', 'Design', 'Pages', and 'Settings' tabs, and a 'Publish »' button. Below the navigation bar, there are several element templates: 'Title Text', 'Paragraph with Title', 'Paragraph with Picture', 'Picture', 'Title', 'Paragraph', and 'Multiple Columns'. The main workspace shows a dark background with the text 'Mr. Clark's ePortfolio'. A white notification box with a blue border and a close button in the top right corner is overlaid on the workspace. The notification box contains the text 'Website Published!' and a blue link <http://mrclarkseportfolio.weebly.com> with a small icon to its right. A yellow oval highlights the link text in the notification box.
